

**Event:** Ciphers (Online)

**Club:** Designers Anonymous

**Description:**

Uncle Jackson just bought himself a booth at the Pearl Carnival. Rather than operating a typical amusement game, Uncle Jackson decided to go out of his way and create an exciting new game. He decided to give a series of clues to the participants, which pieced together a story. Whoever unravels all the clues and finds out the story wins the grand prize. Join in with the rest of the carnival goers to use Photoshop and decipher the clues as soon as possible!

**Prize Money:** Rs. 6000. Winner takes all.

**Date:** N/A

**Regionals:** No

**Rules:** Once you register for the event on the website, you can download the psd file given in the link. A few hints will be given regarding the image on the Designers Anonymous Facebook page. Use various Photoshop tools in order to decipher the clue. Once deciphered, send in your entry (deciphered clue) to [designclub@hyderabad.bits-pilani.ac.in](mailto:designclub@hyderabad.bits-pilani.ac.in) Please note that only Photoshop can be used for deciphering the clues.

**Procedure for registration:** Participants need to register for Pearl through the website. After this, find this event in the events section and enrol yourself for the competition.

**How one advances:** N/A

**Judging Criteria:** The one who solves all clues and pieces together the story first, wins. If no one is able to solve the mystery, the one who solves the most number of clues wins.

**Judge Names:** N/A
