

Event: Digital Art

Club: Designers Anonymous

Description:

When the soul meets the canvas, art happens. When art meets technology, magic happens. The event, Digital Art, is just that. A fusion of art and technology.

This Pearl, grab your pen (tool) and open up your (digital) canvas, as you recreate a portrait digitally. With software like Adobe Photoshop and Adobe Illustrator at your disposal and bring your artwork to life on screen.

Prize Money: Rs. 7000.

First prize : Rs. 4000

Second prize: Rs. 2000

Third Prize: Rs. 1000

Date: TBA

Time: 2-3 Hrs

Regionals: No

Rules of the Competition:

Photos of a few portraits will be provided to the participants. A short tutorial will be given to show how to progress with the competition.

Select one of given photographs and using only the pen tool, make a digital portrait (vector illustration) out of it.

Procedure for registering:

On spot registration. Participants are required to have their registration card (Students of BITS are required to have their ID cards) to register for the event.

How one advances through the competition: N/A

Judging Criteria:

Entries will be judged based on choice of portrait as well as how well-digitized the portrait is, which includes - effective use of shades and neatness of design.
