

Would you have the courage to quit a cushy, secure job to heed the call of your heart?

This Pearl, BITS Embryo presents to you Anshu Mor who once headed Xbox India but parted ways with Microsoft to pursue his dream of becoming a stand-up comedian.

Funny, contemporary and totally urban, he brings a clean and hilarious flavor to storytelling and observational comedy. Mark your calendars for the 17th of March to get engrossed in the enchanting stories of a master storyteller.
